The Cheese Experiment (Geronimo Stilton #63)

Synopsis

New Mouse City was in a panic. A strange epidemic had broken out -- mice everywhere were covered in weird blue spots! Mouse Island's most famous doctor immediately set to work with his team to try to find the cure... but someone was trying to stop him. Could I figure out who before I ended up blue myself?

Customer Reviews

I don't really like this book that much, earlier the book was mysterious and it had a lot of detail, but now it is quite obvious what is going to happen next. I think the author needs to improve a little on how she writes her books, because now it's not that interesting anymore. I would not recommend this book. Written by a 9 year old

we loved the book so much i stayed up all night reading it this is a super book in my life geroni.mo is the best writer in the world

I love these series! Totes Awesome! I at first thought it would be boring, but this series are the best

kniwn to humankind!!!!

My girl loves to read it!!
