Customer Reviews

My 3 year old son loves the movie UP. This coloring books drawings are scenes from the movie. It has plenty of pages for him to color. Maybe 50-75 front back pages. The pages are also perforated so you can hang the art work on the fridge. We have been happy with the purchase

The cover is really cool because the house stands out from the rest of the picture. The whole book was plenty of cool scenes from the movie. Great buy.

Bought this coloring book because of the movie and mydaughter loves it. Good for the price.
