I bought this book for my friend, who is a huge 5 Seconds of Summer fan. She loved the book! Also, the book arrived on time. I recommend this book to anyone who is a fan of the band.

I really love the book got here when it said it was!! Its a book of photos of the guys and it also has interviews so we get to know a bit more of their already exposed lives!!

awesome gift for my daughter. bought as a package deal great price

This is a great product. I actually bought it as a Christmas present (I know, very early). I'm really impressed and I actually really love it and I think my friend will too!

It's a really good book but I expected it to be a hard cover and thicker. It only has from 40-50 pages in it and has a paper cover. But overall it is a great book

I love 5 Seconds of Summer, so naturally, I bought this book. It is so funny and tells so many stories. I love how they put it in each boy's perspective.

Purchased item for my granddaughter's birthday per her request...she loved it!! Met & exceeded expectations...Super fast shipping. Thank you, !!

My teen daughter is a huge 5SOS fan and she thought this book was great - she said it had lots of cool info and band photos!
