# Face Painting: Over 30 Faces To Paint, With Simple Step-by-step Instructions

## Synopsis

This book contains everything you need to start face painting! There's a huge variety of fun faces to choose from: go for a wild animal and paint a giraffe or tiger; a dainty Snow Queen or pretty Flower Garland; scare your friends with a terrifying Zombie or a nasty Witch. Clear, step-by-step photographic instructions mean that all the faces are easy to follow and try, plus there are tips and suggestions for ways to tweak the designs. All projects use a set colour palette and are carefully chosen to appeal to girls and boys alike. Readers of all abilities can get stuck in as each project is graded with a difficulty rating of 1 to 5. A 'techniques and materials' section outlines everything you need to start face painting, from paints, to different brushes and sponges. Tips and techniques are described so you can practise your painting skills before you begin. This book is sure to provide hours of fun!

## Customer Reviews

Originally this was to help my daughter with her theater group. It soon turned into a whole lot of family fun. The book has good ideas and tips on face painting, with kids and adults alike enjoying the playful activity. My daughter is now learning to do balloon shapes, so as to join a local group that entertains at all sorts of functions. Good clean fun, for all to enjoy.

There is something magical about face painting! Wouldn't you agree? With a little face paint you can

feel yourself transformed into anything you want to be. It also doesn't hurt that you usually find face painting booths at magical places like fairs, parties, and parades. I've always wanted to give it a try and this is the perfect book to help me as a total and complete beginner. The whole front section of this book is dedicated to sharing the tips you would need to get started. It explains the different types of materials you will need and the different techniques used in successful face painting. There are over 30 face painting patterns outlined in this book and each one is rated on level of difficulty, includes a materials list, and takes you through the step by step process with photos and explanations of what technique and what brush to use. It makes it look clear enough that I think this halloween I may be ready to give it a go! \*I received this book for free in exchange for an honest opinion/review, which this is.

This was our first time attempting to paint faces and the instructions in this book were super easy to follow. There is also a really nice variety of ideas. Would recommend this to anyone!

This book is great! The instructions are clear and the pictures are really helpful. This book as greatly improved my face painting skills.

should be fun to use come Halloween or any play or stage production.

Thought there would be more pictures.
