Customer Reviews

Since I was an original Mouseketeer this book was true to fact. It was very good reading and written by Keith who was a great friend from the Disney studio. Buy it, it's great.

I enjoyed this book on TMMC; I used to have the paperback edition many years ago and it was wonderful flipping through its illustrated pages again and remembering tv's golden age, esp. with the recent passing of series fave Annette. Book arrived in a timely fashion and in great condition as described by the seller.

Another great collection for a MMC fan!
