Customer Reviews

This is a beautiful book with really neat crafts and projects. It is perfect for making handmade gifts for friends or for yourself. My daughter loves this book and the projects are well laid out like the previous books. This book is perfect for those that want to learn to make neat gifts that are not store bought but are high quality and from the heart. I recommend the entire series of books.

What a fun book! I love to watch Annabel's programs on Creativebug and this added even more ways to enjoy working with my grandchildren! Thanks, Annabel, and please keep up the good work.
