Awesome Color Picture Mazes

Synopsis

Kids will agree: this collection is AWESOME! Conceptis® picture puzzle books have already revolutionized maze solving, and for the first time, these artistic brainteasers are in bright, amazing color. As always, you begin by completing the maze the usual way. But then there's extra fun, because when you're done an image emerges from the grid. To discover the hidden drawing, just take a pen or marker and draw a thick line over the maze solution. Soon you'll see a red-haired girl holding a bright blue umbrella; a playful monkey; a tawny lion; and many other cool designs.

My son loved these color picture mazes when he was in 2nd & 3rd grade. We purchased all the color maze books that Conceptis Puzzles produced. I only wish they made more.
