Customer Reviews

We have all Juliet and Charles Snape books because my son loves mazes. He loved it when he was almost three and he still likes these books (he is 7 now) because they are fun and he can not remember the right way to go always (and he has an excellent memory). We did not let him use pencil or pens on the book so the fun never ends. The pictures are great, colorful and creepy. Even adults love to play with it.

Our 4-year old can shoot through mazes on the restaurant placemats in a breeze. He loves to do mazes, but we wanted to offer him a challenge. This book was not only that, but fun to look at too!
