Mazes For Kids Age 6: Medium Difficulty Mazes

Synopsis

If you've been giving mazes to your child for quite some time now, it is expected that he may be bored already with the easy ones. So level up his skills by introducing mazes of medium difficulty. Constantly challenging his problem solving skills greatly helps in boosting his IQ. The longer the mazes are, the better his fine motor control becomes.

Book Information

Customer Reviews

I have a product question but can't figure out how to ask it, so I'm hoping a review gets someone's attention! The maze on the cover of this book would be too easy for my 6 year old, but when I go into images, there is a yellow loopy spaghetti-type maze with cows on it, that would be WAY too hard for him. What is the level of these mazes?
