My 4 year old loves mazes. This book, although pretty short, was colorful and fun. It is bright and just busy enough for her. A ton of cute, little white mice are getting ready for a birthday party (another 4 yr old favorite theme). The down side is there are only 13 mazes to work on and they go rather quick. They are not the kind you do with a pencil, you do them with your finger.

I loved the book .It was a lot of fun and I enjoyed doing all the mazes.I am 6 years old. It is the best beginners maze book for me.I liked it because there was a lolly bag to find in each maze as well as doing the mazes.I also liked the rhymes to go with each maze

It was in great condition! A nice addition to our collection of maze books.
