Customer Reviews

For some Mahomies this book may have pictures you've already seen or information you already know, but that doesn't mean you won't like it. If you are someone who sent Austin a sign for his bedroom when he was just getting started and couldn't wait for his next Ustream...or maybe you're one of his more than 4 million Twitter followers who finds his story inspiring...this is a nice souvenir capturing some of the key events up until around July 2013.- Reviewed by Jodi R.
