Customer Reviews

It's worth the price every bit, this book has so many pages, it's pretty much the entire episode with cool scenes in every page. Comes with a really nice poster and 2 pages full of stickers. Also includes pages of cards that you can detach to play a matching card game. Very cool. Happy with the purchase.

Only giving it 4 stars but qualifying it. I love this book. Paw Patrol stuff still hard to come by and I prefer this book format to Golden books. It is a cute story, great illustrations, and has little extras like stickers and a memory game included. Lots of little surprises for little fans. The thing is I got a book that was defective. It had punches sealed together. Strange. Be aware in ordering from that you might get this defective 'batch' if they have more.

The Easter Bunny brought this for my Son. I have five kids and this book was a gift for my 3-year-old son. It is a favorite at story time for my three youngest (1.5, 3, 6). The included stickers, trading cards, and poster made this an instant hit! The story is cute and the illustrations are high quality. I would definitely recommend this for kids up to age 7. A great gift!

My son is 2 and he loves Paw Patrol. This year we made him an egg (instead of a basket) and included two of these easy to read Random House books. The story line is interesting and keeps my son interested long enough to finish the book. Some books don't and he's completely lost halfway through. Pup, Pup, and Away is a story about a hot air balloon going rogue and Paw Patrol coming to the rescue. The book includes stickers, game cards and a poster and is a great addition to your child's library.

It's nice to be able to read instead of watching on tv. This is like a cliffs notes version of the show. So some stuff missing or slightly altered (if you've seen the show). Cool stickers which my three year old son loves. So all in all great

My grandson loves paw paw patrol and was excited when he received this book. As the family live in North America, I haven't actually seen the book yet!

My great nephew loves these books. He was disappointed he didn't get it for Christmas, however, birthday wasn't too long after. He loves to read.

Loves all things Paw Patrol and the stickers, game and poster just add to the fun! Highly recommend this book and all books in the series!
