## Customer Reviews

Bought this calendar to cut out and frame pictures of supercars at a car service business. Each page shows a supercar in a black backdrop. in an A4 size and below it are 2 small images. the 2 images are always the Car's interior and the car's engine. this calendar has a good mix of cars on it. Both modern (bugatti veyron, mclaren MP4-12c, etc) and classic super cars (lamborghini muira, ferrari f40, mclaren F1) Over all this is a great calendar!

Needed a new calendar for 2014 and I love the Dream Cars one I have been getting for the past 2 years. The calendar part of this is super easy to read and makes finding things like holidays and daylight savings super fast while I am on the phone and cannot get to something electronic based!

What a handsome calendar! This is a 16-month calendar full of great supercars. The months include

September - December 2013. There is a supercar for each month: September - December 2013, McLaren MP4-12C; January 2014, Ferrari 599; February 2014, Jaguar XJ220; March 2014, Alfa Romeo 8C; April 2014, Porsche Carrera GT; May 2014, Bugatti Veyron; June 2014, Maserati MC12; July 2014, Bizzarrini 5300 GT; August 2014, Ferrari F40; September 2014, Lamborghini Miura; October 2014, BMW M1; November 2014, McLaren F1; December 2014, Pagani Zonda F Roadster.

It's a calender- good build quality, attractive design and interesting pictures and captions! My only gripe is that I was expecting new and recent models of super cars (Lamborghini, Porsche, BMW, 2010>). There were a few, but the majority of the cars are classic cars with monster parts inside them. Would recommend to any super car fan!

It seems like with calendars of this ilk, for some reason it seems necessary to stick in there something that is not exactly eye-candy. Not the case here. The write-up for the car of the month are also quite well done.

my son who is 8 loves cars and he got this as a gift. Great photos of a variety of different cars. Very nice and sturdy

awesome cars, great delivery time, high quality product, great buying experience after have a poor one with another vender, it would make a great gift for any car enthusiast.

Great photographs of great cars, what more could one want. I guess one could be one of the 1/10 or 1% and own a super car. This will however have to do for me.
