Cesar Chavez (Bio-Graphics Set 2 (Graphic Planet))

Synopsis

Graphic novels aren't just for superheroes! Cesar Chavez has been plucked from history books and his life and accomplishments have been depicted in an informative nonfiction graphic novel. The subject's birth, childhood, education, and humanitarian efforts have been skillfully told with detailed art. Further reading lists, timelines, glossaries, and indexes make these titles useful in classroom discussion. Graphic Planet is an imprint of Magic Wagon, a division of ABDO Publishing Group. Grades 3-6.

Customer Reviews

I found this to be an excellent resource for learners on the cusp of understanding, but worried about their reading skills. Every learner is unique - and more often than not their learning path is about finding the modalities that best suit their strengths. It takes an act of courage to go outside of your comfort zone. Educators owe each student the access and encouragement, to locate and make use of a spectrum of resources.
