Grade Level: 3 - 4

Customer Reviews

This book uses comic book style to impart knowledge.Nothing wrong with that, especially from my kid's point of view.

My 11 year old boy loves these books. He loves history though.

Great!

I'm a teacher and these books had their pages start falling out in no time.

It was great! Thanks!

We are going to Philadelphia with kids interested in history. Great stories, well written.
