How To Hug An Elephant #6 (Here's Hank)

Synopsis

When Hank's class takes a field trip to the zoo, he quickly gets lost after his partner (and nemesis) ditches him. Unable to read the map, Hank wanders and finds himself locked in a habitat with Elsie, an elephant recently rescued and kept isolated. He begins a game of soccer with her, and they become fast friends. But when Hank notices how lonely Elsie is, he's determined to help her find her own animal friends.

These are my favorite books for my 7 year old grandson.

I read this to my one grandson and we laughed and laughed all the way through the book. .Will keep it so he can read it himself when he is a little older.

My son has followed all the Hank books! We love them and the characters are our friends now!
Great readers for 1-3rd grade!

I bought the book for a grandson. Was afraid it might be too advanced, but was told that he is doing fine with it and is enjoying it and would like to read more books about Hank!!!!

My 8 yr old LOVES these books!
