Age Range: 4 - 8 years

Grade Level: Preschool - 3

## Customer Reviews

I've told my children that when yard sale time comes around, Frog and Toad books stay. I'm holding them for the grandchildren. The Frog and Toad books have held up well - my oldest 'child' is 32, my youngest not yet 9, and everyone has heard Frog and Toad stories over and over. This book, published in 1970, is the first of four. The two friends are somewhat like the Odd Couple, two best friends with distinctly different personalities. Frog is usually cheerful, while Toad tends to view things from a darker side. In "Spring", Frog convinces Toad that Spring really is here, that it is worth it to get out of the bed where Toad's been lying for so long his calendar still says November. In "The Story", Toad (who isn't quite as much a creative thinker as Frog) struggles to think up a story to cheer up his ailing friend - he struggles so hard that Frog ends up comforting him! "A Lost Button" is an amusing story about a search for (you guessed it) a lost button - Toad's lost his button, and Frog spends his time looking for it - they find many buttons, but not the one Toad's looking for, which

turns up back at Toad's house. He reward his friend by sewing him a special jacket filled with all the buttons. In "A Swim", the self-conscious Toad tries to hide while putting on his swim suit, but ends up being seen by everyone, wearing his funny striped suit. Even Frog laughs at him - but he manages to walk home with dignity. "The Letter" is the last story in this book. Like many little children, Toad loves getting letters but is really sad because nobody writes to him. Frog comes to the rescue, eventually, with the help of a turtle mail carrier.
