Customer Reviews

We have carried this book through 3 moves and I just had to put it together or get rid of it. Since my daughter's class is studying the crusades, it seemed the right time. During our 3 snow days in a row, I sat at the table and built this castle. I used 2 tubes of super glue and very sharp scissors. When I took it to my daughter's 5th grade class today one of the boys said, "Cool? Can I buy it from you?" The ultimate compliment from a 10 year old.

my son and I are putting it together we love it. looking forward to more to build. to bad you can only build one per book

Everything A O K.
