## Customer Reviews

I purchase this comb-bound calendar every year. Each month has a 2-page monthly calendar and then each week has a separate page. There's also space for notes and more space at the back of the book. I keep a calendar in my iPhone...but this is the one that has detailed info!

I have never purchased a Gooseberry Patch item that I didn't love, and this calendar is no exception. It arrived promptly and the colors are so cute! I love the details on every page. Calendar boxes are a tad small, but it's a small thing. Pages are sturdy and the cover is thick. Spiral binding has held up well so far, and I pull this in and out of my purse quite a bit. I've noticed the cover getting a little scuffed so I will definitely put a contact paper coating over the cover when I purchase this next year. Cute calendar and holds up well!

Best Christmas gift but very disappointed that I had to go to .CA (Canada) to get it for \$17.00. I didn't understand why it was printed in Korea.

I love this calendar. I use it every year for appointments, meetings, etc. Thanks for having it for us.

I purchase one of these for my wife every year.....it is her go to calendar!She just loves it which means dividends for me!!!

Love it!! I make up menus at least a week ahead and there is plenty of room for that.
