Disney Descendants Yearbook

Synopsis

Based on the Disney Channel Original Movie starring Dove Cameron, Booboo Stewart, Sofia Carson, and Cameron Boyce as the teenage sons and daughters of Disney's most infamous villains. Disney Descendants Yearbook is your very own collection of behind-the-scenes photos from Auradon Prep's best year ever featuring your favorite Descendants movie characters--the villainous kids Mal, Evie, Jay, Carlos and the good kids Ben, Audrey, Chad, Lonnie, Doug and Jane.

Designed just like a real yearbook, Descendants fans can relive the highs and lows of a magical school year--from new students and nail-biting action on the tourney field to Family Day and an unforgettable coronation with a new King. Special features include in-depth student profiles, hilarious campus candids, shocking future predictions, fun polls, quizzes, and more. Go Fighting Knights! The Descendants will be played by some of the biggest Disney stars of today including Dove Cameron (Mal, daughter of Maleficent), Booboo Stewart (Jay, son of Jafar), Sofia Carson (Evie, daughter of The Evil Queen), Cameron Boyce (Carlos De Vil, son of Cruella De Vil) and Tony-Award-winning Kristin Chenoweth playing the role of Maleficent.

This book is absolutely amazing! I love it! it gives you a lot of inside things on the movie and characters. There are 64 pages, every page has a couple of pictures on it. It's terrific! I am in love

with the movie descendants and I would definitely recommend this book for anybody who likes or loves that movie.

We are hosting a Descendants party Friday night so I am surprising my stepdaughter with four of the dolls and all the guests are receiving this yearbook. They just arrived today and - WOW! - they are super nice. They're like REAL yearbooks from school - which is why they obviously call it the Yearbook - duh! Anyway - it was totally worth the \$11 with gorgeous color photos and really neat yearbook inscriptions... super cool to read ahead before the movie shows Friday!

I loved learning about all the students it was so much fun.

This is a great book for fans of Descendants. Even as an adult parent I thought it was cute and my tween daughter loved it (as did my younger daughter and son). It is laid out like a yearbook and has the cast from Descendants in it. It has tons of pictures from the movie. It is made into different parts just like a real yearbook. Each major character has a page and then there are lots of other sections. It was of good quality with thick pages and bright pictures. It is great to go along with the movie. I was very impressed with it. This would be great as a gift package with the movie.

My Descendants obsessed daughter love this! It tells a little story and also set up like a yearbook where the characters write messages to each other. A must for any Descendants fan! If my review was helpful to you, please choose YES. Thank you!

My 8 year old is currently a huge Disney Descendants fan! The Yearbook is a perfect size (very similar to his school yearbooks). The cover is bright and strong. The photos inside are really cool...the book looks like a traditional yearbook inside. He looks at the book just about every day.

Perfect for any Descendants fan. This was on my niece's Christmas list, and I can see why. It's size, look, and feel are just like a regular school yearbook. The photos are great, colors are very rich, and it's just a really cute idea for a book. She'll be thrilled to receive this!

I ended up buying two of these, one for each of my similar aged granddaughters and they have enjoyed Reading them and sharing some of the information inside with each other. It was definitely worth it.
