Wheres Wallace

Synopsis

Everyone flocks to see that outrageous orangutan. But all he wants to see is the world beyond the zoo. So whenever his keeper, Mr. Frumbee, leaves his cage open the tiniest bit, Wallace takes off on an adventure -- to the department store, the museum, or even the beach. So it's up to Mr. Frumbee -- with a little help from you -- to find that errant ape within the nine action-packed, full-color panoramas. (And while you're at it, Wallace has six friends who tag along on each of those adventures. Can you figure out who they are and find them in each spread? Here's a hint: Check out the totem pole in the Nature Museum.)

Book Information

Age Range: 4 - 8 years

Hardcover: 48 pages

Publisher: Simon & Schuster Children's Publishing; First Edition edition (August 1, 2000)

Language: English

ISBN-10: 0689839928

ISBN-13: 978-0689839924

Product Dimensions: 9.3 x 0.4 x 10.3 inches

Shipping Weight: 14.1 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (37 customer reviews)

Customer Reviews

This book clearly deserves more than five stars. Like all of the great children's books, this one succeeds at several levels. The story creates a connection for the reader or listener between humans and animals at a caring, considerate level that can provide a model for human relations as well. It also succeeds as an adventure story, along the lines of a gigantic hide-and-go-seek game. At another level, it helps the reader or viewer become more observant with an early version of *Where's Waldo?* and *I Spy*. Finally, the book shows the potential for all to enjoy themselves more by cooperating to expand curiosity and exploration. The book begins with the relationship between Wallace, an orangutan in a little zoo in a big busy city, and his keeper, Mr. Frumbee. The two are very attached to each other. They eat, read, and play games together . . . almost like parent and child. Mr. Frumbee even keeps Wallace's money for him in a bank. Then one day, the door of the

cage is left ajar and Wallace escapes with his bank to buy some fine clothes. Seven more escapes follow, each following a discussion about the outside world that interests Wallace. For each of the eight escapes, Hilary Knight provides a wonderfully detailed two-page spread where you are encouraged to find Wallace. If you cannot, for some reason, he tells you where Wallace is on the next page. After you tire of this game or memorize the locations, Wallace has 6 companions in each of the panoramas that you can locate, as well. These illustrations will remind you of the best of the Richard Scarry drawings in their beautiful detail and colorations. Along the way, Wallace is found each time by Mr. Frumbee, and they manage to spend a little time having fun with each other before returning to the zoo.
