# The New Big Book Of U.S. Presidents: Fascinating Facts About Each And Every President, Including An American History Timeline

## Synopsis

Up to Date for 2008! This is the perfect introduction for young readers to the lives and times of America's 43 most influential leaders. Just as the new president is inaugurated, readers can easily relive the course of American history through a detailed timeline, more than 50 vivid photographs and illustrations, information about each president's term in office, and the major political issues of each era. Quick-reference sidebars provide brief summaries of the major events and important people who emerged during each presidential term. Famous quotes and fun facts about each president ensure that this perennial favorite continues to be an entertaining and enlightening addition to any child's library.

## Customer Reviews

This book is great. I used it along with the presidential flash cards for my 6-year old grandson. He loves learning about the presidents. I especially like the additional information with each president, giving information about other prominent people in that time period.

I purchased this book for my three year old as I have her understanding and identifying each president. I felt the book would be perfect for her to associate who the presidents are by face. It's working great. Each photo is perfect. This book is good for the younger children who don't learn much about presidents in school, the pictures are great along with their summary bios. Perfect for all

ages.

I bought this book for the library. Small children come in after school. This book is like a brand new toy ,colorful,,glossy and smooth I think younger children like to picture read and this is the perfect book for that. maybe some will learn about the Presidents

Brief overview of each president. This is not an indepth look at each president, just a quick glance at their life and presidency.

For somebody that is just learning about America, this books gives you a quick view of the presidential history. It is a starting point, but if you are looking for more info, this is not the book. Great for kids and teenagers that want to know about preseidents.

My 6 yr old is learning about presidents especially in light of the upcoming presidential election. She loves reading aloud the birthdates of the presidents, where they are from, and other details of their reign and life. Perfect for the inquisitive child.

MY SON LOVES TO READ ABOUT AMERICAN HISTORY. I GAVE THIS BOOK TO HIM FOR CHRISTMAS AND HE LOVES IT. VERY EASY TO READ AND NOT TO LENGTHY. I WOULD RECOMMEND FOR 1-4TH GRADERS. RECEIVED THE BOOK IN EXCELLENT CONDITION AND RIGHT ON TIME.

nice book for school-agers, probably best for 3rd grade and up, interesting facts about each US president
