Young Pele: Soccer's First Star

Synopsis

How did a poor boy named Edson "who kicked rocks down roads and dribbled balls made from rags" go on to become the greatest soccer player of all time? Here is the story of the boy who with great determination, lightning speed, and amazing skill overcame tremendous odds to become the world champion soccer star Pelé. Talented author/illustrator team Lesa Cline-Ransome and James E. Ransome bring his inspirational story vibrantly to life. The theme of this Dragonfly Book is Sports.

Customer Reviews

Lesla Cline-Ransome and James E. Ransome's YOUNG PELE: SOCCER'S FIRST STAR tells of a poor Brazilian boy who kicks rocks down roads and dribbles balls made from rags - and who goes on to become the greatest soccer player of all time. His skills and the evolution of his talents make for engrossing reading for kids in grades 2-4.

This book is an investment in beauty. The pictures in it are just gorgeous. It was a Christmas gift for a friend's son for Christmas, and both she and I were just wowed by the beautiful paintings. It's heavier on beauty than on content, but it's in its own category. Lovely. I would hope that this thin volume is one any child would save as a memento.

I love this book! My 4 year old son is a fan of Pele and while he cannot read this on his own, we enjoyed reading this book together from start to finish. I was also impressed by the illustrations. Very nicely done.

good book. Too challenging for my 2nd grader to read himself but I read it to him and he loved it

Great book!
