Customer Reviews

Quick and concise instructions for papercrafts that will take between 15 and 30 minutes to complete. Great written and visual guidelines. Terrific for older Brownie troops and Junior Girl Scouts.

My 18 year old daughter and I have used this book for crafts for older Girl Scout badge workshops, and this summer my two daughters are using it for craft ideas for a summer camp craft program they are running for children ages 3-17 who parents are migrant workers. A real keeper in our craft library.

This is a great little book for an educator's collection with colorful, versatile projects to integrate cultural diversity. Some of the activities are a little sophisticated for very young children but most can be adapted. It offers nice connection/extensions to many popular children's stories.
