## Customer Reviews

I think these paper doll books are wonderful. They allow my 2 daughters to use their imaginations and act out stories of their own. It keeps them busy for hours. It doesn't matter if you have read all of the books in that dolls series or not because the paper doll book comes with a mini book of your own that summarizes the entire series of each girl. Their imagination just soars from there! Each book comes with the main character plus a few extra characters and lots of outfits and accessories which all pertain to the books. They definitely need help cutting out the clothes, but once it's done, they are set forever.

This Item is very,very bad!They riped when i took them out.never ever buy this.
