The Painted Zoo

Synopsis

The perfect match of content and format: Craft supplies, a full-color how-to book and nobody-else-but-Klutz creativity, all packed in a sturdy, re-usable plastic jar with a screw-top lid and a rope handle. The whole package is incredibly bright, cheerful, easy to stack and display, and completely shopwear-proof. Start with an empty Klutz Bucket. Fill with wooden animal shapes. Add eight acrylic craft paints, one brush, a fine point black marker and a 40-page Klutz book of full-color, paint-this-critter inspiration. And then, right at the end, toss in a good supply of wiggle eyes. End result? A zoo in a bucket. With it you can paint 24 wooden die-cut blanks into things like Technicolor tigers or polka-dotted pandas, paying absolutely no attention whatsoever to the way they're actually supposed to look.

Customer Reviews

The Painted Zoo is not really a book. It is so much more than that. It is, in fact, a jar brimming with 24 wooden animals with paints, brush & pen, wiggle eyes and a booklet full of ideas. My daughter and her friends love painting and decorating these zoo animals! They have spent hours painting them. We are now on our second jar and I am sure there will be others. What a find! Every child we know is getting a jar for Christmas or their birthday (whichever comes first).
