Merry Christmas Coloring Book

Synopsis

Christmas is one of the best times of the year for most children. As children they need to learn what Christmas is about, and that it is not about getting tons of toys. An engaging coloring book about this can help them to learn what Merry Christmas is all about. The children can retain the information by thinking about it as they color. Christmas lessons can be taught in a coloring book. They will even think about what they have colored long after they color it.
