Customer Reviews

This is a great book for Ancient Egyptian fans. I think my students will love to do this during quiet time and study halls. It is a very pleasant book with interesting designs.

A great addition to any young child's library of Coloring books with a historical foundation. Excellent structure, easy to scan, easy designs and fun to color.

My son was fascinated by hieroglyphics after visiting the Egyptian wing in the MET, NY. He is a borderline lazy artists but just can't get enough from Egyptian type drawings, so it works for us! I've bought the first coloring book with this theme when he was 5 , now he's 8 and still enjoys this theme.

I AM ENJOYING EVERY MINUTE OF IT.

great
