Language: Spanish

ISBN-10: 0553509799

ISBN-13: 978-0553509793

Product Dimensions: 6.8 x 0.4 x 9.3 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars See all reviews (15 customer reviews)

Best Sellers Rank: #37,840 in Books (See Top 100 in Books) #20 in Books > Libros en español > Literatura y ficción > Clásicos #27 in Books > Libros en español > Infantil y juvenil > Animales #69 in Books > Libros en español > Infantil y juvenil > Literatura

Age Range: 3 - 7 years

Grade Level: Preschool - 2

Customer Reviews

This translation is faithful to the content and rhyme scheme of the original, but its very faithfulness makes it incredibly awkward to read aloud. I bought this for my bilingual two-year-old, who loves the English version, based on the positive reviews for this translation, and I only made it a third of the way through the book before my tongue was exhausted. Comparing the two versions, I found each line of the Spanish to have an average of 50% more syllables than the original. This not only makes it cumbersome and awkward; it also destroys the easy rhyme scheme of the English version, since you have to make it through so many syllables to get to the rhyme - your ear has already forgotten it. I admire the intent, but I'm sending it back because I just don't think I can make it through all the way! Incidentally, it took two years for me to cave and buy Spanish translations after a long, fruitless, ultimately enlightening search for the Spanish-language equivalent of Dr. Seuss. It doesn't exist - there are a few well known poems and nursery rhymes, but the language simply lacks the kind of rich children's literature tradition we have in English. I report this as a fully bilingual academic scholar of Spanish Literature who has lived for years in Spain. For now, we will simply make do with the few Spanish-language children's translations that are comfortable to read, a volume or two of nursery rhymes, and non-book sources of Spanish language stimulation.

I love the cat in the hat in English and I am usually suspicious about translation specially to Spanish, but the rhymes and everything works really well. I love it and my 3 year old does as well. Great fun!

Great, rhyming and accurate Spanish translation. Preserves the rhyming spirit of Dr. Seuss while helping me teach my son Spanish. I recommend purchasing this and the English version if you want to teach your child Spanish (they need the English to compare to the Spanish in order to more easily figure out what the words/concepts mean).

I was looking for this book for my son, who LOVES Cat in the Hat. I first saw the bilingual book. I nearly gave up. I took a Look Inside, and boy was I glad I did. It was a horrible translation that didn't rhyme at all! I was totally shocked. The main idea of Dr. Seuss's books is that they rhyme and sound fun. I was so glad when I found this version. Spanish only is fine, and IT RHYMES!!!! So, so, so different. Amazing. This I'm going to get!

We are huge fans of Dr. Seuss books at our house. We're also a bilingual family and are raising a bilingual child. We love to read in both English and Spanish and are always looking for quality children's literature in both languages. We tend to prefer books written by native speakers of the

language as opposed to purchasing translations because they are often not good when compared to the original book. But when I came across this book translated by my favorite Puerto Rican children's author, Georgina Lázaro-León, we HAD to have it. Dr Seuss was a master wordsmith but so is Georgina. I LOVE how she beautifully balances rhyme, rhythm, humor, play on words, multiple-meanings conveyed through idiomatic expressions, making this translation extremely fascinating and true to the original book. Buy this book, you will NOT be disappointed!!!

I read these books to my nieces and now for my little one. I'm reading to my child in English, Spanish and Hebrew. I think they did a good job translating the book.

After reading and buying green eggs and ham in Spanish, As a bilingual educator and translator, I was excited about this book. Unfortunately, it is not that great.

This book was perfect for Dr. SEUSS DAY CELEBRATION at my child's school, especially because Spanish is one of their academic subjects. The familiar childhood book
