Cherry Blossom Garden Perpetual Calendar

Synopsis

British illustrator Mary Woodin has created watercolors for each month of Galison's lovely Cherry Blossom Garden perpetual calendar. She begins with pansies for January, continues with spring tree blossoms like apple and cherry, plus berries, seed packages (chives, poppies), herbs, and gardening paraphernalia. Butterflies flutter throughout.

Customer Reviews

BEAUTIFUL perpetual calendar!!Hubby and I have big families, plus employees birthdays to remember....NOW, I won't miss these special dates!!Hangs inside our basement door, and I flip it at the beginning of the month.LOVE that they are all in order too!SUPER pleased!

I had been looking for a perpetual calendar at every local book store and arts and crafts store. I should have known that would carry them. Thank you for carrying pretty much of everything we need - and such good quality.

I bought quite a few as gifts and they were very well received.

Very nice. Have looked awhile for this type calendar. Thank you

Pretty, sturdy pages so it'll last a long time and just the right size.

Great product. I have needed one of these for a long time.

I don't forget the important days now.

I like this item and find it useful.
