# Keep Calm And Carry On 2012 Calendar

## Synopsis

Face every morning with gumption and good humor. Inspired by the poster designed to boost Britons' morale during World War II and now rediscovered as the signpost for our own times, "Keep Calm and Carry On" is packed with rousing quotes, slogans, and mottos. Perseverance: "After a bad harvest, sow again" • (Seneca). Passion: "Come on! Come on! Take action! Let's go!" • (Sitting Bull). Resolve: "Sing loud!" my father always told me, "just in case someone is listening" • (Patti LaBelle). And good cheer: "A light heart lives long" • (Shakespeare). It's a daily boost of can-do motivation. "Life has two rules: Number 1, never quit! Number 2, always remember rule number 1" • (Duke Ellington).

## Customer Reviews

I bought this calendar thinking of a tiny one (like Peanuts) but when I received it I was surprised. It's a little bit larger and it has a very clean design, the quotes are very interesting and it can even be used as an agenda (because of the white space it has in every sheet).

I reduced my review from 5 stars to 2. The first few weeks offered substantial quotations. But then most of them were from pop culture, mostly movies. Hardly deep thoughts. I'll be looking for another next brand and title in 2013. I am not the most optimistic person in the world. In fact, I start off most days thinking of all that can go wrong. So I like a bit of inspiration first thing in the morning. And having this gem of a calendar sitting on the bathroom sink is a great way to brighten my mood. Someone took care in selecting the quotes, one a day and two on a single page for weekends. The

quotes are not insipid or saccharine. They come from a variety of sources, writers, statesmen, politicians, philosophers and artists and they go to the core of the human condition, the need to fight on every day. I'll put this one on the shopping list for 2013 - and hope they don't drop it from the line.Jerry

I purchased this along with a couple of other Keep Calm items as a gift for my co-worker and best friend. I annually buy her a calendar for Christmas, this one seemed very appropriate for her especially with the crown on the box, she is known as "The Queen". It is a great stocking stuffer for her and I think she will enjoy this calendar as much as she has all the others I have purchased for her over the years.

This is a great calendar that I keep in my Professional Massage Room. Inspirational and positive also clever sayings and quotes.

There was no "Things to be Happy About" for 2012, so I settled for this. It is only ok, not very inspirational or motivational.
