## Customer Reviews

The illustrations, the fonts and the colors in this calendar are fabulous, I was pleasantly surprised by how lovely it is. On the other hand, the quotes I've peeked at are a bit un-exciting; they are not particularly good examples of why I enjoy Jane Austen. They're not, however, offensively bad either, so overall I am pleased with the quality of this mini calendar.

Because I don't like large calendars, this one is perfect for my needs. It fits nicely on the wall and I love the artwork and sayings that Jane Austen wrote. It's truly worth it and I'd recommend to any Jane Austen lover or anyone who enjoys good art and very smart sayings.

adorable pics and snippets from austen novels. perfect size for the space i had for it. arrived in perfect conditon. thank you !

Any Jane Austen fan will appreciate this lovely calendar. It is a reminder of a time long past. As an

avid reader of Austen's books, it was a nice addition,

I have to agree with Michelle; it is a pretty little calendar, but the quotes are seriously mediocre and I am a serious Jane Austen fan, so I'm a little disappointed. Even more disappointing is that the January calendar picture has a typo in it. The calendar is also missing the miniature upcoming and previous month that calendars usually feature in the bottom right-hand corner.
