Customer Reviews

So far this calendar retains the same format as the previous few, rehashes quotes from the series and tells you who said them. The main problem, and I agree with another reviewer here, is that the quotes only come from the last few seasons, which have been lackluster at best. I really wish they would have included some of the classic quotes from the earlier seasons, as those quotes are much more memorable than the ones printed on this calendar. Calendar is made of recycled paper, and has a standard plastic easel to stand on your desk or countertop. Overall this is an average calendar, you could do much worse for your desk but I still enjoy some of the quotes from Jim, Dwight, Andy, and the rest of the Office gang.

Boring jokes, no color, or any photos. While I did know that the calendar is simply consistent of quotes, I at least expected to be a little entertained. Just like last 2 seasons of the show (since Steve Carell left), this calendar is boring, slow, and not funny. I miss my Dilbert calendar.

This desk calendar is okay. That being said, it is missing the majority of The Office's seasons. Only the last few seasons are chosen to quote. As others have mentioned, it could be a lot more entertaining: photos, graphics, Pam's doodles, and more seasons used. Seemed like the first few weeks of January were from one or two episodes. Mix it up a little, add more seasons, and more fun to the calendar for 2014, please!

I got this for my younger brother, who was a HUGE fan of the Office. However, the quotes are only from Season 8. In my opinion as well as my brothers, all the best quotes are from the previous seasons. But if you enjoyed Season 8 from the office, then by all means get it!

I love coming into work in the morning and ripping off the page of my page-a-day Office calendar. It always makes me laugh, and makes being at work not quite as bad. Some of the quotes are hilarious.

While I'm saddened that the office is no longer airing, the calendar is a great daily reminder about the antics and stories that went on at Dunder Mifflin. It is a great start to my day!

I was disappointed to find that the calendar doesn't contain one quote from Michael Scott. That is my only real complaint with the calendar.

This calendar is a hoot. very funny sayings and quotes from the show. Any office fan will love rehashing past seasons and one liners.
