Customer Reviews

Not what i expected, it does have a quote for everyday, but its printed in thin low quality paper, its not a flip calendar, but a tear-off calendar, so everyday it gets thinner, and its not like you can fold it behind itself to save the pages. I would not buy this even if it was half the price I paid for it. Do the quality of the book series an honor and buy a better product.

Shameful money grabbing that's obviously nowhere close to official or licensed. Can't even get the title of the series or the font right. I doubt the artwork is legally used.

I keep it on my desk at work.love it.
