Customer Reviews

My eight year old received this set for her birthday and she loves it!The set contains a purple Mad Libs pen, a sheet of silver stickers, and three Mad Libs pads. The themes of the pads were: " Diva Girl Mad Libs," "Mad Libs in Love" and "Sleepover Party Mad Libs."This is great in the car, as the pads are cardboard backed for easy writing.They also reinforce grammatical concepts like nouns, verbs, and adjectives.Great value!

I bought this for my daughter for Christmas as her friend had spent the night and brought her MadLibs & my daughter thought they were the coolest. The "themes' are a little older than I had thought when I purchased for my almost 9-yr old but I like that's its helping teach her nouns, verbs, adverbs etc... She's a great writer already so this is just helping her creativity.

My daughter got this from Santa, and she loves it! She is 7 years old, and really gets to laughing as a result of some of the sentences she creates! :) I love Mad Libs and this one is definitely cute for girls.â ¸

Bought this for my 13 y/o daughter to use with friends, she really likes it. They use it a lot when she has sleepovers. MadLibs are always a fun time--and this gives younger girls or tweens a chance to make them more "girly fun"! The box set it came in was actually nicer than I expected.

Bought this for my daughters (10yrs and 7yrs)they love mad-libs, and this one is no different.

Was a big hit with my daughter...she has almost finished all the books. Wish there were a few more books included.

My daughter got this for a road trip because I didn't want her on her iPod for the entire trip. This proved to be fun for the whole family! We laughed and joked for hours with mad libs!

My 8 and 9 year old daughters put down their iPads and can't stop working through the word games. They are just as good now as when I was a kid. The stickers were a hit too.
