Customer Reviews

I love Jonathan Green's work, but I am disappointed with this years choice of pictures. I buy this calendar every year for my brother in Australia who also love Jonathan's work, but I think he will agree that the pictures are not as nice as previous years.

I love this calendar. My family makes it a tradition to buy this calendar every year. I grew up in the lowcountry of SC so this artist has a special place in my heart. The pictures in the calendar are so full and vibrant. This calendar is definitely on my list for 2017 and I can't wait to see what that

calendar looks like.

This is the 3rd year in a row that I have purchased this calendar. I love Jonathan Green's art, and the calendar is just the right size to write in appointments, etc. when necessary. My husband and I discovered his art on a trip to South Carolina. I will be buying the calendar again next year.

i always get a jonathan green calendar each year. Have been since 1993 or 94. Love this collection of calendars and the beautiful artwork

Love his art. I've taken about 3 of Jonathan's pages of earlier calendars and have framed them. I hang them in my office at work as well as home.

Jonathan Green's calendars are always bright, colorful and inspiring. I look forward to buying them every year

Always a great Christmas gift for those appreciating this special animated and colorful style and theme of art.

I love his calendars and don't by Anyother calendar. I love the expression in his painting
