Coleccion De Oro Jorge El Curioso/A Treasury Of Curious George (bilingual Edition) (Spanish And English Edition)

Synopsis

• He was a good little monkey and always very curious. • This is how H. A. Rey and his wife, Margret, first introduced their now beloved troublemaker-hero to young readers in 1941. In this hefty Spanish/English bilingual treasury, Curious George fans will find eight stories based on the popular primate, painted in Rey's original watercolor and charcoal style: Curious George Takes a Train (2002), Curious George Visits a Toy Store (2002), Curious George and the Dump Truck (1999), Curious George and the Birthday Surprise (2003), Curious George Goes Camping (1999), Curious George Goes to a Costume Party (2001), Curious George Visits the Library (2003), and Curious George in the Big City (2001). A wonderful collection for your own mischievous monkey. Customer Reviews

Perfect book for parents raising bilingual children. For MONTHS my daughter asked us to read these stories before going to bed every single night. I read the stories in Spanish and my wife in English.

My kids and I read bedtime stories every night, and I've been starting to teach my preschooler

Spanish. Sometimes we read this book in English, sometimes in Spanish and he's really grasping it. I've loved Curious George since I was a kid, so there's the nostalgia factor, too :)

I can't believe what a steal this book is. The book is of great quality and includes many favorite stories. My child enjoys hearing the stories in both English and Spanish. He is little now, just 22 months, and I foresee us using this book for many, many years.

I am learning Spanish and this is helping tremendously!! The English Spanish translation is so helpful in learning how to conjugate verbs and put a good sentence together.

I bought this as a gift for my four year old grandson who can't seem to get enough of Curious George. The book has 8 of the original Curious George stories. His mother is teaching him Spanish so now she and his other grandmother can read to him in Spanish.

My son loves Curious George. We have read this book cover to cover numerous times and his favorite stories in the collection hundreds of times. I have given it as a gift to several children as well because the book is so reasonably priced. This is truly a keepsake on our bookshelf.

I was getting ready to buy this book for a gift and thought it'd be neat if it came in Spanish...checked to see just by chance it existed, and found this one in both English & Spanish. It's perfect for kids who learn both languages very young, and was great this particular gift that I needed. Thanks!

Purchased it as a gift for my newly-adopted, Spanish-speaking nephew and his parents love it because they don't have to translate the English text into Spanish in their minds as they are reading to him at bedtime! Will help him learn English quickly too, we hope!
