## Customer Reviews

Very disappointing :( not at all fun like the first Olivia. The story is boring and the pictures not interesting. This book would never hold the attention of a 3-7 year old. When they say "don't judge a book by its cover" they are right, the only thing fun about this book is its cover... When I bought it the "look inside" option wasn't working, I sure wish it had been!

Adorable story. High quality book with thick, harder to rip pages. Bonus fold out chart in the back of

Olivia demonstrating 5 ballet positions.

My daughter's goto must READ.

Excellent.LOVE OLIVIA!!!
