## **Synopsis**

Every day people wake up to the challenge of deciding whether they will control their thoughts or if their thoughts will control them. Their minds are a battlefield and how they think affects their attitudes, the way they respond to others, and their effectiveness. Now, Joyce Meyer provides readers with a calendar companion to her one-million-copy bestselling *Battlefield of the Mind*, offering keys to gaining control over their mind, recognizing and putting a stop to damaging thoughts, and arming themselves with the Word of God, praise, prayer, and other powerful spiritual weapons. Readers will receive daily encouragement and support for fighting daily on the battlefield of their minds.

Never used a daily devotional before but this one certainly gets the day off right and keeps it that way. Was really disappointed when I found out there wasn't going to be a 2009 version. I had torn off each day in 2008 without even giving it a thought. Was able to purchase 2 (one for me and one for my sister) and am keeping mine intact to use year over year.

This is a great calendar so far. Very informative and makes you realize just how Satan tries to tempt us in so many ways and how important it is to stand firm. I would definitely recommend this to anyone unless you like to read only a verse or two a day.

I got this for my mother who is a huge Joyce Meyer fan. She absolutely loves to read the notations each morning.. Great for someone who needs a lift every day.
