The Story Of Titanic For Children: Astonishing Little-Known Facts And Details About The Most Famous Ship In The World

Synopsis

More than a century after it crashed into an iceberg, Titanic remains as compelling as ever. Now children can explore its beautiful sun decks, marvel at the luxurious design, and relive the tragic sinking of the world's most famous ship. Rich in visual detail, this book tells the story that captured the world, and it will hold kids spellbound with intriguing facts and real-life stories that provide insights into what happened that fateful night.

Customer Reviews

My grandson is fascinated with stories of the RMS Titanic. He loves this book, I love watching him read and learn

A great read for anyone who want to experience an adventure in history.

Awesome book, my son looooooves it and so does every adult that happens to pick it up!
