Customer Reviews

We love dancing and playing to these songs. They should be a little slower for young children learning how to move in specific actions, but I really enjoy this CD.

Love the selections in this collection for our creative and ever-moving grandson - plus a great inclusion of classical music - great!

I can't get enough of the Wee Sing series and this particular edition of songs and activities keeps even the most skeptical child engaged.

Wonderful songs with activities!

Great for an addition to my music curriculum. Thanks.

Fun tunes to get kids moving!

all Wee Sing rock!! I use them for the classroom and at home.
