El Camioncito Azul (Little Blue Truck, Spanish Edition)

Synopsis

The best-selling Little Blue Truck is now available in Spanish! El camioncito Azul is a joyful cacophony of animal and truck sounds in verse that will have youngsters beeping and quacking and begging for one more go-round! Along the way, readers see that it pays to be kind to others. Jill McElmurry's gouache illustrations of wild-eyed farm animals and country roads are warm and wonderful, suiting the cheerfully rhyming text of Alice Schertle to a T. This Spanish translation by award-winning poet Isabel Campoy maintains the rhyme and charm of the original, and the sturdy board book pages are sure to withstand many riotous read-aloud sessions.

Customer Reviews

Great story and great teaching. full of vocabulary and rhymes. It is a great translation, probably one of the best out there. This book is my sons favorite. We even had it as a birthday party theme. Una historia espectacular llena de enseÃ±anzas sobre la cooperaciÃ³n con un vocabulario diseÃ±ado para los pequeÃ±itos. La traducciÃ³n del inglÃ©s al espaÃ±ol es impecable, tal vez de lo mejor que haya visto. Este libro les encanta a mis hijos. Incluso tuvimos una fiesta de cumpleaÃ±os con el tema central del camioncito azul.

This review is my wife's (who is bilingual): This Spanish translation of The Little Blue Truck has exceeded my expectations. While The Little Blue Truck by itself is a great story and has cool

illustrations, the translated version went above and beyond to make sure it remained engaging, entertaining and most importantly FUN for the little ones. I love how the translator made sure the book would still rhyme and be fun when read out loud, and while this did not allow a literally translation of the actual wording, in some of the phrases to make sure it rhymed, the story is still accurate in terms that it reflects what is being seen in the illustrations. My son loves it and of course all the animal sounds and the beeping horn make it for a great story-time book. If you are trying to find FUN translated books, look no further, this one got it right. I will be checking out the sequel (also translated) shortly and look forward to more work from this translator.

Finally a Spanish book that has a nice story with a teaching and more important the story rhymes. This is key to keep your children's attention. If anyone knows of other Spanish book with a story that rhymes please let me know!

This book is so cute! Originally, my mom bought this book for my son in English. He loved it so much, we got it for his nanny to read to him in Spanish. This book is so colorful, funny and fun to read. It's a rhyming book which I prefer for the little ones - and has text to keep them interested. I like that it associates a sound with each animal which is fun and good for learning.

I am bilingual and really want my daughter to speak Spanish so I got this and a few other books for me to read to her and expose her to Spanish. She loves this little book and its a cute story. There are lots of little animal characters in this book so be prepared to quack like a duck or neigh like a horse lol. Also I like that this book is a board book with round edges which makes it baby safe (god knows they put everything in their mouth!!). You'll enjoy this little book if you want to read to your child in Spanish :)

My 17 month old grandson loves this book! He especially enjoys pointing out the different animals. Its message of teamwork and cooperation is one that I would like to instill. It comes in two versions: one in Spanish, and another in English. We have both books. Beautiful artwork too.

It's not near as catchy in Spanish as it is in English. However, this is my son's favorite book in English so to get it and read it in Spanish is a great way to help integrate Spanish into our bilingual household. It is a very good translation in Spanish, but only 4 stars because it is hard to compare to the very good and catchy rhyming and rhythm of the English version.

My son loves this book. It has a fun and cute storyline that incorporates a lot of different words, along with characters that are fun for him. The translation is great--it keeps the storyline interesting while rhyming.
