Into The Wild: Yet Another Misadventure (The Chicken Squad)

Synopsis

The Chicken Squad is back for their third (mis)adventure, and this time they're facing off with whatever's hiding in a mystery box in the backyard. A hilarious chapter book from the bestselling author of Click, Clack, Moo and Diary of a Worm. Our fluffy, fearless young detectives are back out sleuthing because there's a new cage in the yard, and the Chicken Squad is determined to figure out just who this new addition is. Because whatever it is, it's definitely up to no good. So equipped with the latest surveillance gear—which apparently includes copious amounts of marshmallows—the chicks venture into the wild to get answers. Let's just hope they can beat that giant raincloud that's closing in because everyone knows that chickens can't swim!

Book Information

Lexile Measure: 580 (What's this?)

Series: The Chicken Squad (Book 3)

Grade Level: 2 - 5

Customer Reviews

This book is hilarious for kids and adults. The characters have well developed personalities in the third book in this series which allows for some funny antics. Sugar steals the show! I felt she came off as annoying in the last book, but her boldness in "Into the Wild" is humorous. Doreen Cronin is creative and witty. She definitely understands her audience. The grammar is also fantastic which is important for children learning to read and write. I would say that this book is for ages 5-6+. I have to explain the premise and jokes to my 4 year old, but if he were a year or two older he would be

laughing along with me. I can see this book and the rest of the series being one of our favorites for years to come!

Great childrens book. Mine enjoyed it over and over

Kids love this author--so clever.
