Customer Reviews

It's so awesome to see Pokemon X and Y get their own manga series! And for so cheap, to boot!

This is a great, easy read. Highly suggested for Pokefans! You won't be able to put it down. Looking forward to Vol. 3!!!

A great follow up to the first one. Shauna gets a sword with mind control, and X is still being a big baby.

These books are in Japanese format meaning that they are backwards. Reading from back page first. Right side then left. There isn't a single picture that shows this nor is there anywhere in the description that says this. I would not have bought these for my kids had I known they were this way. It says they are "English" but aren't in standard English format. I would rate higher if there was any indication that they were in this format.

8 1/2 year old grandson liked it.

Fast delivery,great product.

Amazing manga!
