Customer Reviews

These books are in Japanese format meaning that they are backwards. Reading from back page first. Right side then left. There isn't a single picture that shows this nor is there anywhere in the description that says this. I would not have bought these for my kids had I known they were this way. It says they are "English" but aren't in standard English format. I would rate higher if there was any indication that they were in this format.

Love all there books!!

It's a great read with an interesting plot and awesome characters, especially Y. She's the best. 5/5
