The Kingstone Bible Vol. 3

Synopsis

The Kingstone Bible is a complete graphic adaptation of the Bible and is published in twelve volumes to illustrate in exquisite detail the grand story of the Holy Bible. Each volume is a rich narrative sequentially illustrated to teach and explain the major stories and themes in the Bible in a historical and chronological manner. Volume 3 introduces readers to the prophet Moses and God's call for him to bring the Israelites out of Egypt. Then God leads Moses to bring the Israelites through the Red Sea and into the Promised Land. As Moses departs from the scene, God raises up Joshua to finish leading the people of Israel into the conquest of the Canaan.

Customer Reviews

The graphics are powerful and fit well with the story. The story line for Kingstone Books is consistent with a literalist tradition, This is a graphic version of the tale as it is in the Bible. There really isn't any commentary or analysis in these books. The Bible comics and graphic novels are good for tweens through adults. My husband enjoys the collection quite a bit.
