Customer Reviews

I have for the last several years purchased multiple copies of this beautiful calendar. Ben Mendlowitz's photos with Manard Bray's comments make this an excellent Christmas present. The photos capture the simple beauty and sculpture exhibited in the craftsmans' art. Highly recommended.

but actually a really good calendar! We use this to keep track of our household trips, visitors, etc. I love the pictures of boats (especially living in land-locked Colorado, but most importantly this is a really good calendar.

Beautiful,serene pictures. Large blocks for writing in your events and reminders. My husband hangs this in his office - great to look at when you're having a stressful day.
