## Customer Reviews

Perfect for my flight bag. I can keep track of all my appointments and notes. Yes - I do have a calendar on my phone, but this is a handy way for my hubby to mark his days off and his monthly appts. It's the perfect size, great quality and CUTE! AND INEXPENSIVE! I definitely recommend.

I love Winnie the Pooh and needed a more convenient calendar to keep by and with me, so I had to try this, bonus that it will last two years. It's perfect for me since I don't have to keep track of much, but like someone said the squares for days could be a little bit bigger, but for me not that big of a problem.

Love the Winnie the Pooh design. Wish the calendar squares were a little bigger instead of having a "to do" list on every page. But overall I love it

The lines between the dates are very faint. Same Winnie the Pooh picture in the corner of the left page. Nothing special, especially if you are a Pooh fan.

I love it so much so that I can get organized with my work schedule and for my upcoming appointments with my doctors and for dentist appointments as well

This is the perfect size calendar for a purse. I love the strap that keeps the pages firmly together so they do not get torn or soiled.

Great price. Exactly what I'm looking for, a small calendar that fits my purse

This was a great gift and the bookmark ribbon is an excellent touch.
