Customer Reviews

I have an "American Indian Room (office)" in my house, and this calendar is part of the decor. It is beautiful and big enough to SEE the dates across the room. The pictures of the American Southwest Calendar are outstanding, and I cut them apart at the end of each year, and save those beautiful photos for posting on my giant bulletin board in another area of my home...so my calendars actually have an extended lifetime! I LOVE them!

I buy this calendar every year. There are many, many photographs of the great Anazai sites of the American southwest and this calendar always uses some of the best. The accompanying notes are very brief and could be expanded. There are imitators of this calendar, but none compare in overall quality.
