Colouring Book Antoni Gaudí

Synopsis

Children can enter the surreal world of the master architect, Antoni Gaudí, and color in his weird and wonderful creations inspired by nature and the intricate beauty of the world around us. This delightful coloring book introduces children to one of the world's most recognized and admired architects, Antoni Gaudí. His masterpiece, the still-uncompleted Sagrada Família Basilica of Barcelona, is one of the most visited monuments in Spain. The Catalan architect is especially appealing to children, who will marvel at the organic forms inspired by nature he employed in his buildings and designs. This engaging activity book will inspire learning and creativity in children, and will encourage young readers to build their own Gaudí-like creations.
